Durham University Business School Mentor Scheme 2014/15

Mentee Form

Mentor Registration for Current Students

Mentoring Scheme

DUBS Alumni Network run a mentor scheme whereby current students are matched with mentor volunteers from the alumni and business community.

How does the Mentoring relationship work?

The Scheme runs for one academic year however this may be longer for those on the Global or Executive programmes. Mentors are from around the globe and this bears no effect on the match.

Most correspondence takes place by telephone, email, Skype or other agreed forms. Some partnerships agree to meet face to face, but this is not essential.

How are the individuals matched?

- The Alumni Relations Team asks for volunteers from across the alumni community, from those who have recently graduated, to those who have been part of the Network for many years.
- Volunteer mentors submit a brief registration form outlining their areas of expertise, current job details, location and contact details.
- Students are asked to submit a brief form outlining contact details and areas of interest. The better and more detailed the information, the better the match will be.
- Matches will be made based on professional interests and programme studied, where possible.

Information for Mentees:

- This Scheme is designed to help you specifically during your studies at Durham.
- Mentees should be aware that this Scheme does not provide a platform for job seeking.
- Mentors may give advice on local employment issues based on their own experiences. However the mentor does not accept any responsibility for incorrect information, the mentee should always seek verification from an official source.
- If you, as the mentee, has any questions related to problems completing work, extensions, course transfers or any other problems your mentor cannot help with contact your programme office in the first instance who will have specific and up to date information.
- If you require careers advice please contact:
business.careers@durham.ac.uk.

To register your interest as a mentee on the DUBS Mentor Scheme please email:
