THE HATFIELD TRUST

TRUST'S AIMS AND OBJECTIVES:

ENHANCING COLLEGE EXPERIENCE

To provide and maintain enhanced facilities for our students, and to support and facilitate the development of College clubs and societies.

FURTHERING ACADEMIC EXCELLENCE

To increase support available for undergraduate and postgraduate students undertaking travel or fieldwork for academic purposes, and to provide an environment conducive to exercise of interdisciplinary intellectual curiosity.

STRENGTHENING ENDOWMENT

To help provide the College with the financial health to meet new challenges as they arise and, in the longer term, to ensure more students have access to hardship funding and financial support from the Trust.

COLLEGE EXPERIENCE: THE SOCIETIES

THE COLLEGE CHOIR

One of Durham's oldest and finest Chapel Choirs, the Hatfield Choir have recently performed at Strasbourg, Düsseldorf, York Minster, Durham and Hereford. The Choir performs a challenging repertoire to the highest level, regularly appearing at college events and weekly evensong services. Recently, with the Trust's support, the Choir have undertaken an ambitious fundraising challenge to make an appearance in Canada and the USA.

SHAPED

SHAPED Programme encourages Hatfield students to make the most of their time at College and thanks to this initiative, last year over 100 students achieved Hatfield Award. Our dedicated team of volunteers also supports the finalists, acting as a referral to graduate recruitment services and jobs. In order for the group to reach even more students the Hatfield Trust recently agreed to sponsor SHAPED's brand new website.

THE BOAT CLUB

- Due to the continuing generosity of our alumni and parents we were able to purchase a new racing VIII for our students for £26,400. In fact, it is using this boat that our women's squad managed to secure 53rd place, out of 240 starters, in the recent "Thames Head of River Race". They were the fastest college crew in the country.
- Thanks to a substantial gift of £14,500 from a parent, the women's squad now has a brand new racing IV, made to our specifications.
- The Trust also paid for eight new ergo machines to enhance the training programme over the rowing year, an invaluable addition during winter and spring, when the Wear is likely to flood.

Thames Head of the River Race

Sir Matthew Pinsent and Professor Tim Burt christening our new boat, "Tim Burt".

THE COLLEGE BAND

Over the last few years Kinky Jeff and the Swingers toured several major European cities including Ghent, Cologne and Amsterdam, with the financial assistance from the Trust. Durham's premier Jazz group, the band also recently performed in Durham Castle, Lion and Winter Ball, St John's ball and on local radio.

The interaction of the audience and the actors

THE EDINBURGH FRINGE

To promote the work of the Lion Theatre company, the Trust contributed £2,000 which enabled students to perform at the Edinburgh Fringe Festival.

'Without the grant from The Hatfield Trust, Lion Theatre Company would have never had the funds to take this show to Edinburgh. (...) Getting exposure for shows as someone interested in drama is difficult in Durham, but the Edinburgh Fringe is the largest arts festival in the world; what better stage on which to present a stimulating new piece of writing?' writes the president Tom Wills.

Moreover, the play received very positive reviews and one critic wrote: 'Intentionally blurring the lines between art, artist and audience, this show will leave you thinking about the big artistic debates of the day. You may come with the expectation of sitting back watching passively, but Lion Theatre Company has different intentions. You'll be participating in a staged "creative workshop", led by the actors who each play a different type of artist, all hoping to become successful.'

Photo background: The cast and crew on Arthur's seat at sunrise after the last performance

COLLEGE EXPERIENCE: WIDENING OPPORTUNITIES

THE FIVER FUND

The Fiver Fund is really at the heart of our college motto, enabling those students who would otherwise be unable to participate in extra curricular activities, due to financial hardship, a chance to really get involved in college life. The Fund provides a safety net, supporting several students every year and it is financed by the donations from Hatfield alumni and friends. Even a small contribution to this project has a great impact for enhancing student opportunities.

THE LIONS' NETWORK

The Lions' Network is an invaluable on-line resource which provides career advice for our young lions. Supported by our students volunteers, it gives alumni a chance to discuss with students how their careers developed since they left Hatfield and how they achieved their current positions.

WAYS YOU CAN HELP:

- Donate to the College Choir's tour of Canada and the USA or participate in one of their fundraising activities.
- You can also support the Hatfield Choral and Organ Scholarships, which are awarded annually to our talented musicians.
- You could sponsor one of the Trust's or College's publications, for example our termly edition of the Hatfielder, a publication written by our students, and we could include your name or logo inside.
- You could volunteer to join the Lion's Network and offer career advice to our students. If you are interested in participating, please contact our Senior Tutor, at hatfield.seniortutor@durham.ac.uk.

COLLEGE EXPERIENCE: THE TRAVEL AWARDS

Travel awards are amongst our most popular bursary schemes to help students with their educational, charitable and personally challenging endeavours during the summer months.

Due to your continued generosity our students are able to travel far and wide to reach their potential. This year we spent £10,000 on travel awards, almost doubling the support we were able to offer in previous years.

Some of the named travel awards which we use to support students include the Howard Phelps and Simon McNamara Awards which support humanitarian, educational and personally challenging activities. Moreover, our annual Drinkwater Award provides £250 to a student who travels abroad on a project which involves using a language not studied at University.

YOU COULD CONTRIBUTE TOWARDS:

- The Travel Awards fund (through the donation form at the back).
- Alternatively, you could set up your own travel bursary, named after yourself, a family member or perhaps a company.

CHARLES'S TRIP TO UGANDA

Our Travel awards provide amazing opportunities for our students' personal development and Charles' report from Uganda highlights just that: "Thirty one days, two national parks, and scores of friendly Ugandans has taught me more about myself, than 19 years in UK has, or ever could. Thanks to funding from the Hatfield Trust Travel Fund during the months of July and August I worked as a Social Media and Communications Intern at Conservation Through Public Health (CTPH). (...) Flights, accommodation, food, vaccinations and other expenses form a, sometimes overwhelming, financial barrier to any trip such as this. The Hatfield Trust's generosity helped remove this barrier allowing my dream to turn into reality."

ENHANCING ACADEMIC EXCELLENCE

ELÉONORE'S CONFERENCE IN EDINBURGH

With the ongoing pressure for conventional computers to perform increasingly complex tasks whilst reaching infinitesimal scales, physical limitation have started to slow down the growth of the industry. Finding alternative computing paradigms is thus paramount. Eléonore's PhD project involves modifying the properties of nanocomposites until they are able to compute, and her results were promising enough to be presented and published. The Trust has supported her project by allowing her to attend the international conference in Parallel Problem Solving From Nature (PPSN 2016) in Edinburgh.

ACADEMIC AWARDS

With your continuous support the College is able to offer 29 different academic awards and scholarships to help our students be the best that they can.

This year alone we spent over £20,000 on educational grants and bursaries to support our students' academic excellence.

Your academic support means that our students are able to make a real impact on an international level; with Jing travelling to San Francisco, Pammi attending a conference in Stockholm and Alexia taking her research to the Biennial Meeting of the International Society for Eye Research in Tokyo.

YOU COULD CONTRIBUTE TOWARDS:

- Postgraduate Research Fund offering Hatfielders access to a variety of high quality research events.
- Bursaries for Independent Research within the UK, which help to cover the costs of research and fieldwork for undergraduate and postgraduate students.
- Floreat Fund awards (each valued at £1000) presented to six Hatfield students annually, to encourage their progress from undergraduate to postgraduate study.
- The Hatfield History Prize, which provides our History students an access to books of direct relevance to their dissertation.
- Alternatively you could set up a new prize– perhaps named after you, your family member, or your company.

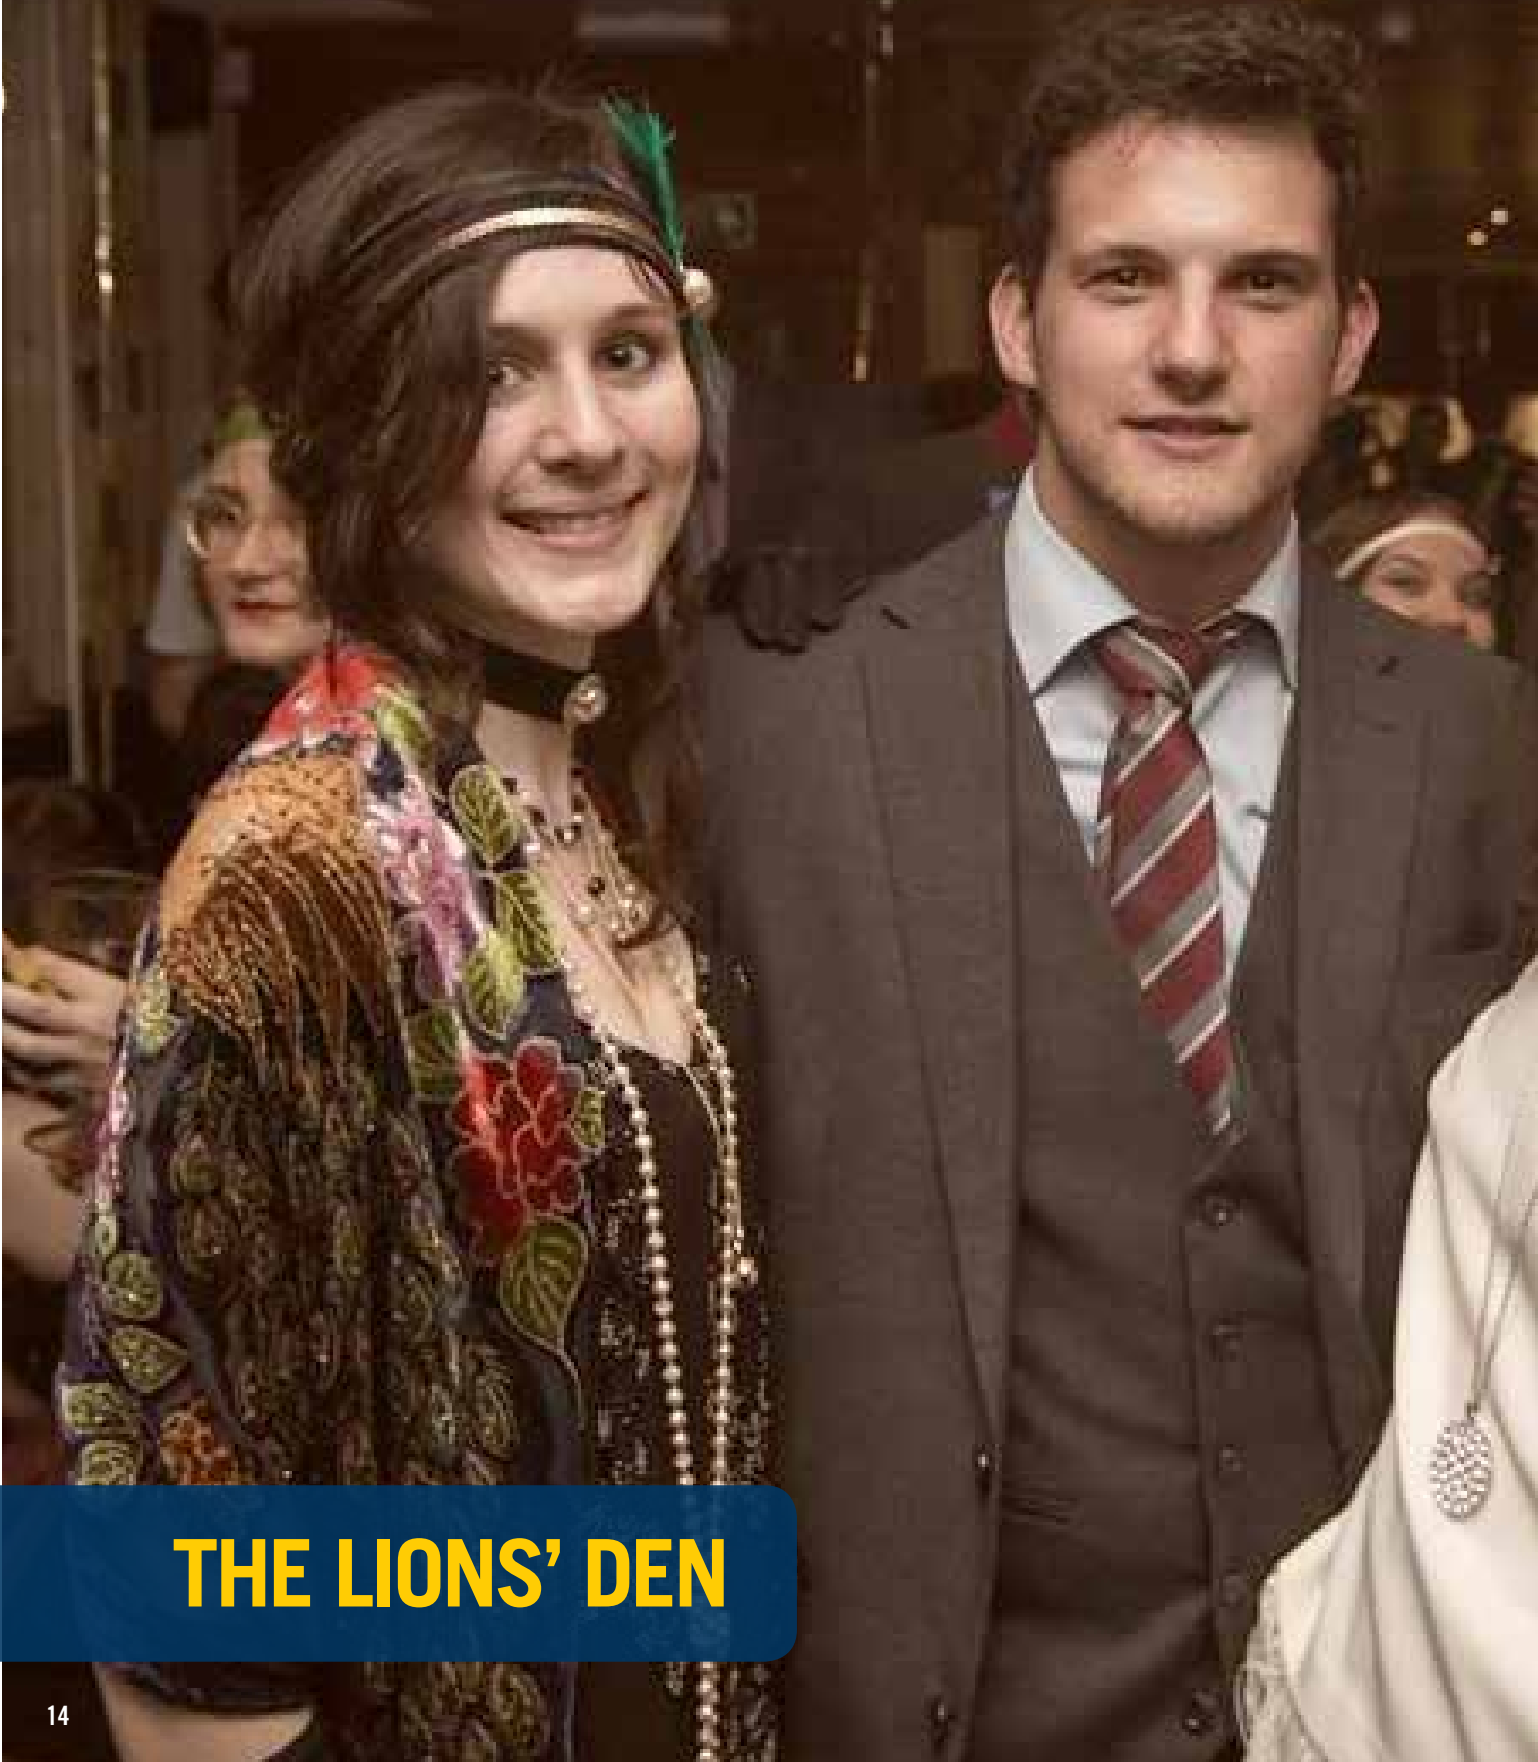

THE HATFIELD TRUST LEARNING CENTRE

Due to your continuing generosity, last year the Trust paid for new Library shelving and furniture and as a thank you, our library will be named the 'Hatfield Trust Learning Centre'. We also contributed to the redesigning of the computer room by providing the furniture which added some valuable work space.

The Den will provide a new multifunctional space for the College, ensuring we have more room for socialising, study and performance shows.

The new design will involve extending the bar to incorporate the current covered walkway and fitting the exterior with a glazed façade allowing natural light into the room.

Moreover, the new exterior landscaping is designed to create an external seating area and provide a ramped access into the Den.

THE LIONS' DEN

Although the Hatfield Trust has pledged £100,000 (half the cost of the project) and the Junior Common Room has agreed to add a further £15,000 we still need your support in order to raise the remaining £85,000.

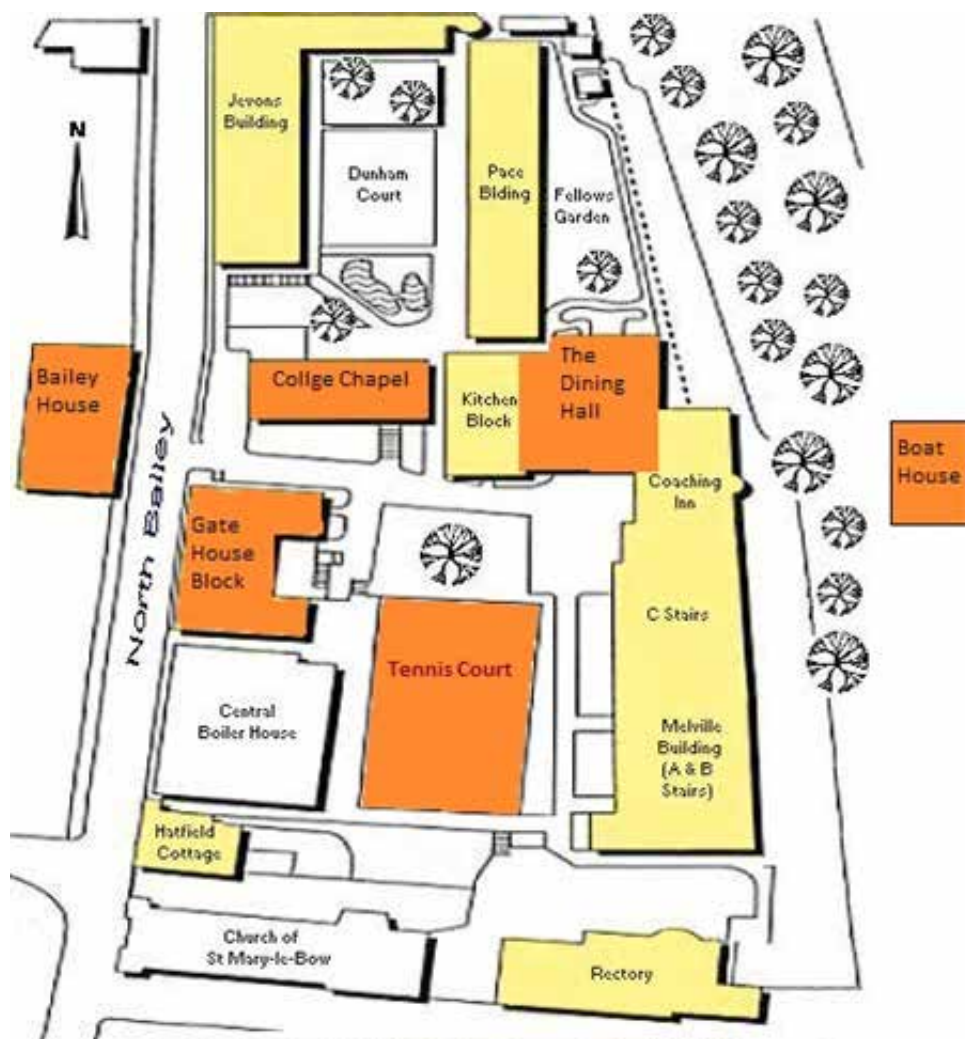

NAMING OPPORTUNITIES

The College are inviting alumni to name key buildings on the college campus.

It is envisaged that substantial sponsorship will enhance the quality of support given to our students for many years to come and provide a lasting acknowledgement of the philanthropy of the benefactor.

Available buildings include:

- The College Dining Hall
- The College Boat House
- The College Chapel
- The Gate House Block
- Bailey House
- Tennis Court

YOU COULD CONTRIBUTE BY:

- Purchasing a Bar plaque with your name, which will be placed on the Bar ceiling, for donations of £50 or more.
- You can also enhance the Hatfield experience for our students as well as leaving a very tangible mark on the College by naming one of the above buildings. Please get in touch with us for more details using the contact information at the back.

LEGACY GIFTS

REMEMBERING HATFIELD IN YOUR WILL

Making a will is a time for reflection about your personal legacy. Including a legacy gift to Hatfield is a celebration of the College you treasure and the people you have encountered here. Legacy gifts enable us to continue to grow in stature, providing the environment future generations of students to discover, innovate and influence. This most personal of gift can be large or small, whatever is right for you. All legacies help to ensure the personal support, academic research, and facilities and opportunities available at Hatfield flourish in the years to come.

In addition to monetary legacies, there are many other types of gift we gratefully accept:

INVESTMENTS

Stocks and shares and other investments can be donated and it could be the case that there are capital gains tax benefits to them being signed straight over to the College. That makes this type of gift highly tax efficient and very simple to administer.

PROPERTY

The gift of property is often valuable and welcomed by the College. If you wish to allow your spouse or loved ones to live in the property but would like it to go to Hatfield when they no longer need to live there, your solicitor will be able to discuss the benefits of making a reversionary legacy gift.

PENSION

“Hatfield College of Durham University,” can be nominated as a recipient of your Self Invested Personal Pension.

FOR MORE INFORMATION:

Please also look at our web pages at www.dunelm.org.uk/legacies. There is a good deal on there which could be of interest, from practical information to case studies.

We will be pleased to assist you in making your decisions about your wishes. However, we are not able to help with writing the will wording. For that, we advise you contact a suitably qualified legal professional.

If you decide to make a legacy gift to Hatfield, your solicitor can refer to it in your will as “Hatfield College of Durham University.” Our official registered address is Durham University, Palatine Centre, Stockton Road, Durham DH1 3LE, and our Exempt Charity Registration Number is X6507.

There are many ways to support future generations of “Hatfielders.” Naturally, there is no obligation but, if you would like to know more, please contact the Legacies Officer on **0191 334 6313** or email lynn.shiple@durham.ac.uk.

Please return this form to: Hatfield College Trust, Development Office, Durham University, Freepost DU157, PO Box 43, Durham DH1 3BR

Instruction to your bank or building society

Please pay University of Durham T/A Durham University Direct Debits from the account detailed in this Instruction subject to the safeguards assured by the Direct Debit Guarantee. I understand that this instruction may remain with University of Durham T/A Durham University and, if so, details will be passed electronically to my bank/building society

Signature(s)

Date

Banks and building societies may not accept Direct Debit Instructions for some types of account. This Guarantee should be detached and retained by the payer.

The Direct Debit Guarantee

This guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits • If there are any changes to the amount, date or frequency of your Direct Debit University of Durham T/A Durham University will notify you ten working days in advance of your account being debited or as otherwise agreed. If you request University of Durham T/A Durham University to collect a payment, confirmation of the amount and date will be given to you at the time of the request • If an error is made in the payment of your Direct Debit, by University of Durham T/A Durham University or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society - if you receive a refund you are not entitled to, you must pay it back when University of Durham T/A Durham University asks you to • You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

Gift Aid Declaration

giftaid it

If you are a UK taxpayer and meet the requirements set out below, Durham University will be able to reclaim the basic rate of tax paid on your gift, increasing its value by a quarter at no extra cost to you.

If you wish to make your gift tax-effective in this way, please check one of the boxes and sign the declaration below.

I confirm I have paid or will pay an amount of income tax and/or capital gains tax for each year (6 April - 5 April) that is at least equal to the amount of tax that all charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand Durham University will claim 28p of tax on every £1 that I gave up to 5 April 2011 and will reclaim 25p of tax on every £1 on or after 6 April 2011.

Please treat as Gift Aid donations all qualifying gifts of money made *(please tick all boxes you wish to apply)*

Today In the past 4 years In the future

Signature: Date:

Please notify Durham University or CASC if you:

- Want to cancel this declaration
- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains

If you pay tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Thank you for your gift

Data Protection

Durham University is registered under the Data Protection Act and is committed to protecting your personal information. For the full data protection statement and policy, please visit www.dunelm.org.uk/dataprotection. We will use some of your information for alumni relations and fundraising purposes, which include sending you publications such as Durham First, conducting alumni surveys and appeals, and telling you about reunions and other events. We currently only disclose your information to two third-parties and have robust protections such as encryption in place. We are required to give information about recent graduates to the Higher Education Statistics Agency and we share your information with a fulfilment house to facilitate the distribution of our alumni publications. If you would like to contact the University regarding information that is held about you or you have preferences about the way we contact you, please do not hesitate to contact us by email at: alumni.office@durham.ac.uk or at the following address: Development and Alumni Relations Office, Durham University, The Palatine Centre, Stockton Road, Durham DH13LE.

Hatfield College Trust

We are very grateful for the continuing support of Hatfield alumni, interested parents and friends of Hatfield who have provided funding for in-house activities and projects which would not be funded from other sources e.g. from the University.

Of particular note is the "Fiver Fund", supported entirely by monthly donations of multiples of £5.

The fund financially supports students who are unable to participate in extra-curricular activities as a result of financial hardship so that every student can enjoy the full Hatfield experience.

Alumni Support

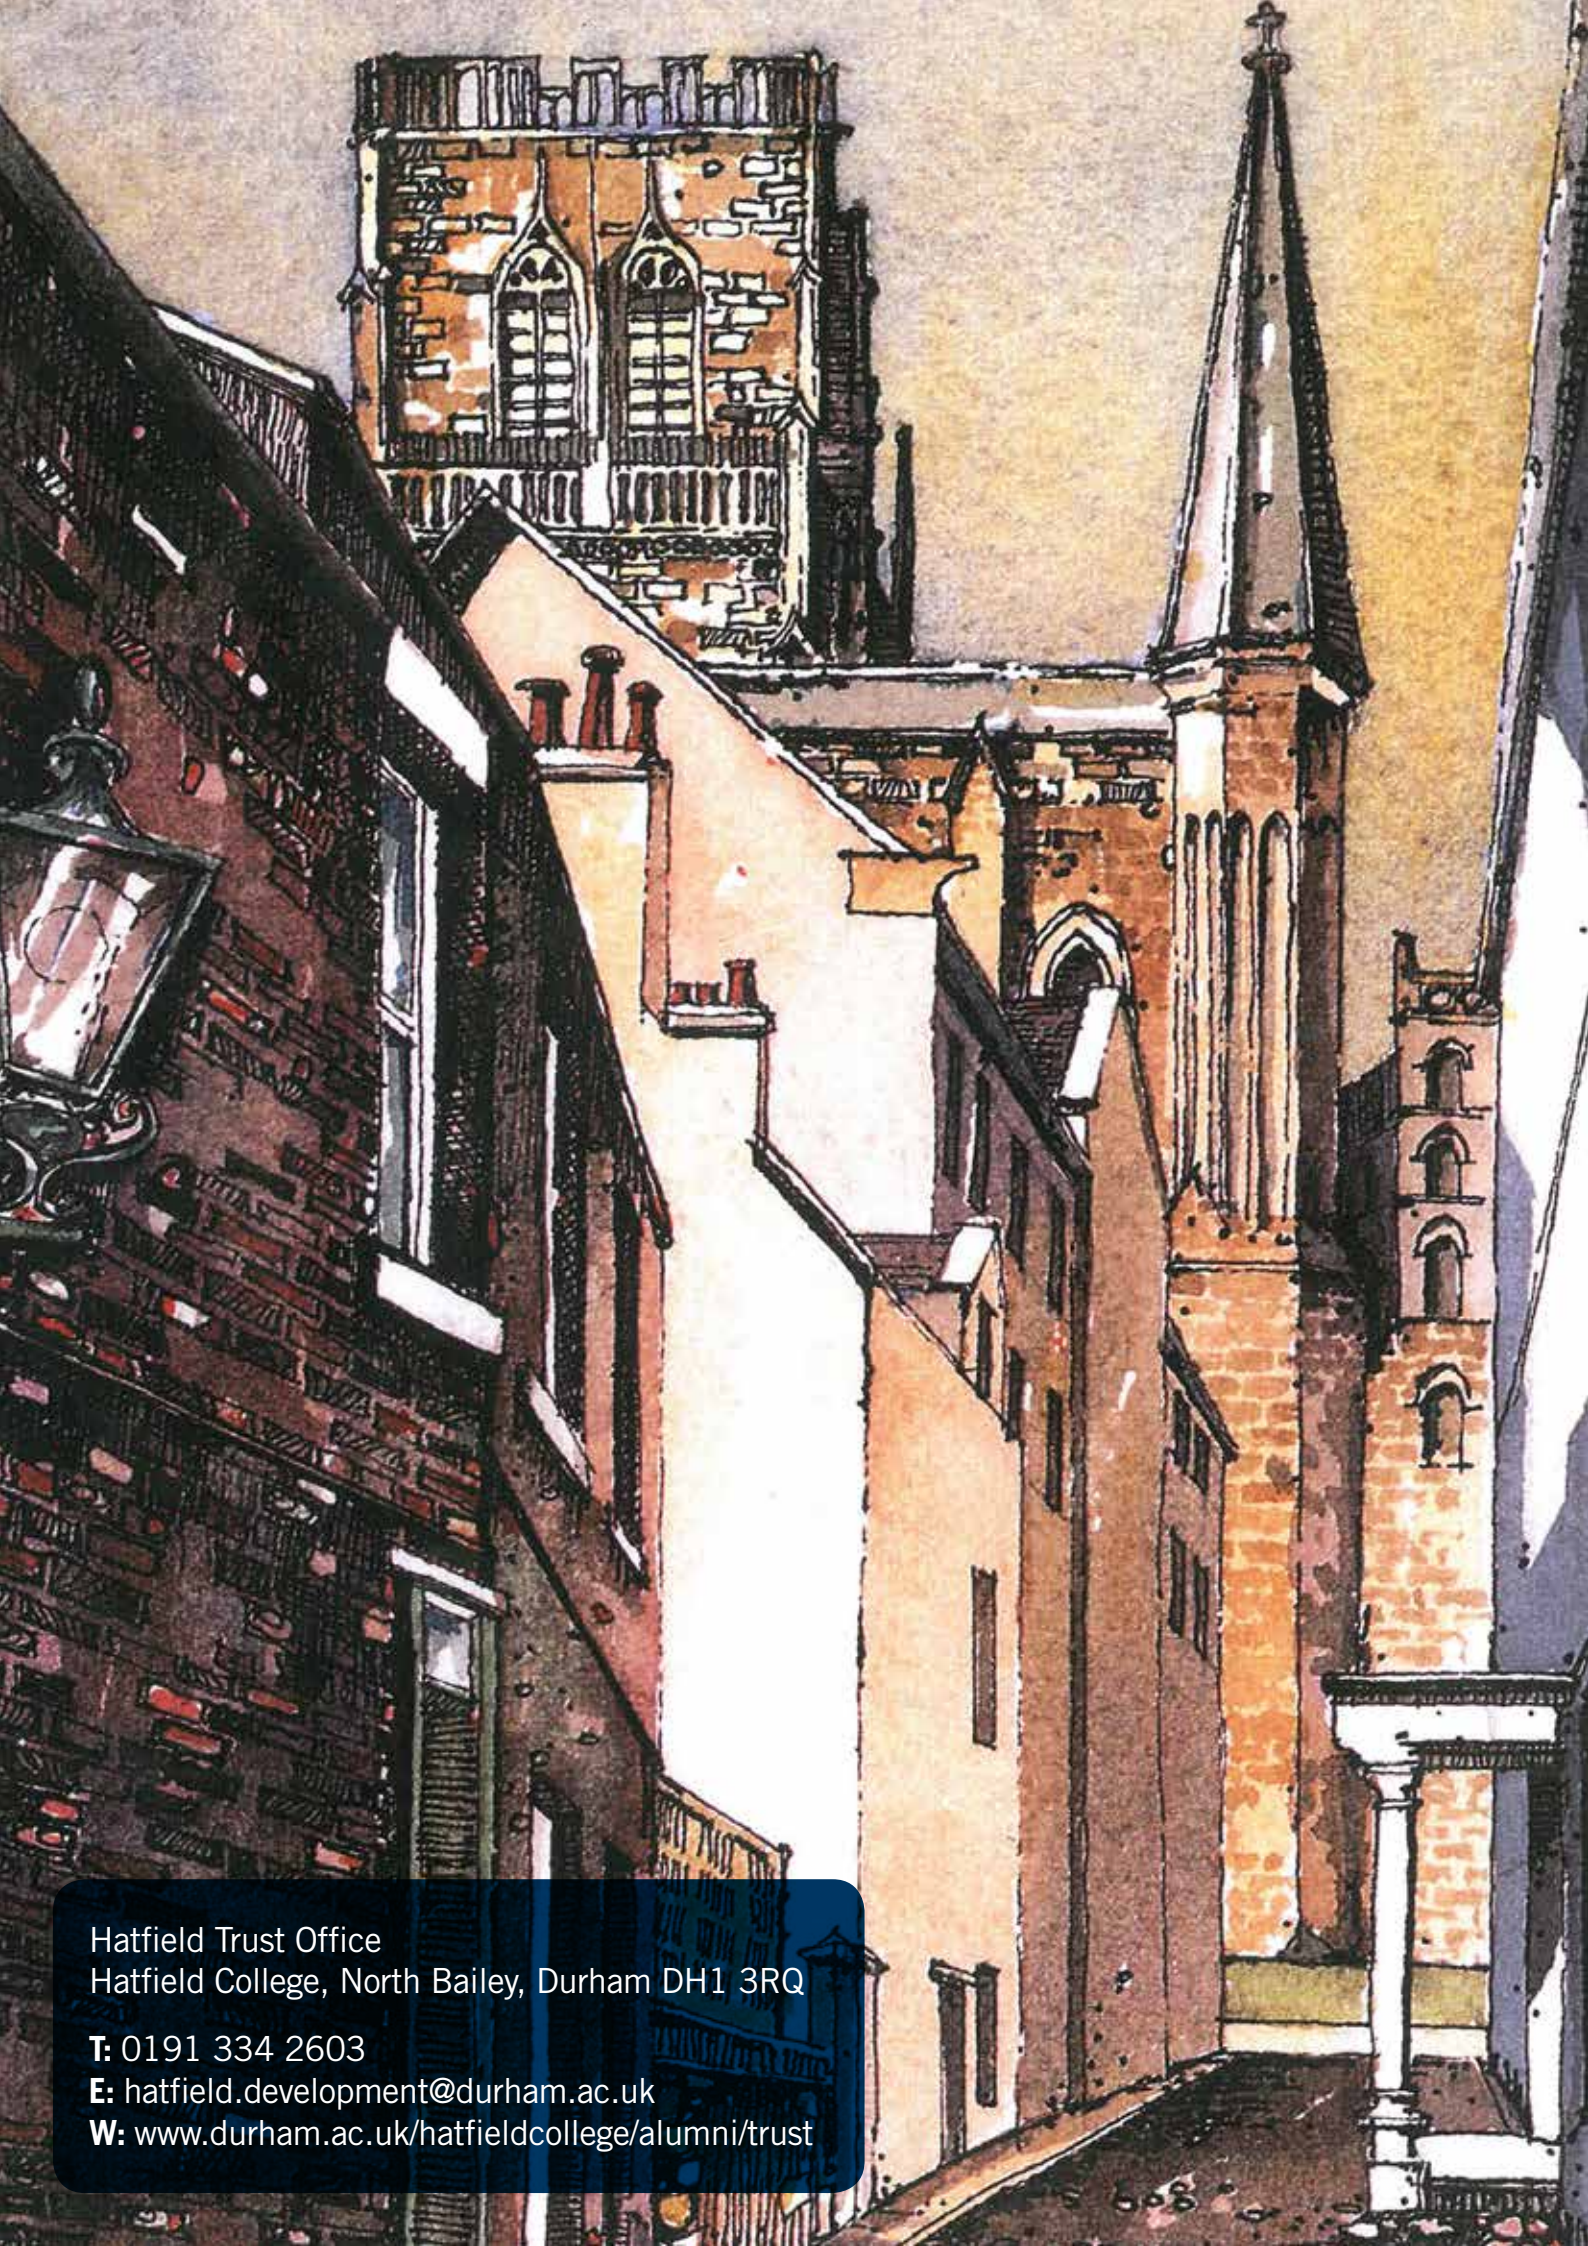

"I'm delighted to be donating to the Trust and would be very happy for my donations to go to the "Fiver Fund".

I look back on my time at Hatfield as one of best experiences of my life and I was so humbled by the students and the work the Trust did during my time as Welfare Officer, that it seemed right to give something back. I hope we can persuade other students of this too."

Alice Pike 2010-2013
