

## *Stephenson College Newswire Article January 2019*

Happy New Year Stephenson Alumni! Everyone here at Stephenson College hopes you had a very enjoyable time over the holidays, and we wish you the best for the year ahead. We have had a very busy start to the term here at Stevo, and a lot to update you on last terms events and activities.

### **Meet the Angels Event**

Last term, on the 10<sup>th</sup> December, we had our first meet the Angels event. This took place at our weekly college dining, so that our first year and returning students had a chance to meet and talk with four of our Alumni Angels. With all things to talk about such as career paths, what to get involved in at Stevo, and the transition to Durham we are sure that the students benefitted as much from the experience than our Alumni did at getting to see and explore our new home! If you'd like to get involved in the Angel mentoring scheme and get a chance to come and speak to our current students about your time at Stephenson, and afterwards, please get in touch – [stephenson.alumni@durham.ac.uk](mailto:stephenson.alumni@durham.ac.uk)

### **Winter Ball**

We were delighted to welcome and host our Alumni at our Winter Ball last term. The theme was 'The Nutcracker Ballet' and with a live ballet performance to enjoy as well as catching up with old friends from Stephenson – I hope that all those who attended, enjoyed the Ball!

### **January Graduation**

Congratulations to all those who graduated in the Winter Congregation. We were excited to host a drinks reception in Howland's Farm for the graduates and to be a part of their celebrations.

### **Upcoming Events and How You Can Get Involved**
