

Stephenson College

Stephenson College - July 2018

Hello Stephenson Alumni!

It's been a busy summer so far here at Stevo and we have much to report on, from transition updates to information on the latest alumni event, and the last one ever at Queen's Campus in Stockton! Since a lot seems to be changing at Stephenson at the moment, make sure you're keeping up to date with all the goings on by staying in contact! You can email me at stephenson.alumni@durham.ac.uk or [check out our website](#). Also, make sure to [like us on Facebook](#).

We'd love to hear from you and for you to get involved! So, here's all the news from Stevo!

TRANSITION NEWS

So far, so good on the transition front! Slowly but steadily our college staff are moving down to our new building on the Howlands site! Coming up soon we have our bar refurbishment and Central makeover, so we will be well and truly creating our new home. Save the date for our first dinner at our new site, the 28th September, as we would love to see you there.

STEVO ANGELS

Stevo Angels is our college's alumni to student advisory scheme, which is an excellent opportunity for alumni to get involved in college life. This scheme involves getting in touch with our students and talking to them about life after Uni. This year, we are introducing Angels of the Month, meaning that different members of the alumni are being invited back into college to talk to our current students about how they got involved in all things Stevo! This also includes being featured on our new bar mats and choosing the college drink of the month, and being invited to a dinner! If you'd like to hear more about this, let me know at stephenson.alumni@durham.ac.uk

WHAT'S GOING ON OVER SUMMER?

This summer, for the last time, we have our KPMG students here! They arrived at the beginning of July and will be enjoying all the wonders of our JCR. The events that are going to take place include Jump 360 trips, World Cup theme bar nights, dinners, sporting events, nights out in Yarm and pool competitions. It is wonderful having the KPMGs here, and to see Central buzzing with life again! We wish them all the success for their time at summer school.

UPCOMING ALUMNI EVENTS

As our time at Queen's comes to an end, we would like to extend an invitation to all local alumni to attend our final dinner at the Waterside Restaurant. This promises to be an amazing and emotional night as we end the era of Stephenson in Stockton-on-Tees. [Sign up.](#)

Hope to see you all soon!

Molly
